

WORKSHOP: PODCASTING ON SOUTHEAST EUROPE

with Alastair Mackie

The workshop provides technical knowledge about the design and production of podcasts and is aimed at attendees with regional expertise on South East Europe and those interested in current South East European topics. Participants will gain an insight into the conception and technical implementation of podcasts. The target group is interested Master's students. The workshop will be held in English. We are looking forward to your registration to christina.sternisa@uni-graz.at by December 6th.

Saturday, 14th of December

10:00 a.m. until 01:30 p.m.

HS. 23. 02.

Mozartgasse 3, 8010 Graz
